C.S. Balasundaram Iyer Esq., B.A.,

Secretary to the Government of His Highness the

Maharaja of Mysore, General and Revenue Departments,

BANGALORE

Sir,

I have the honor to forward herewith copy of letter No. 104 Pg. dated the 27/29th June 1911 from the Deputy Commissioner, Hassan District (together with enclosures in original) and to request that you will be so good as to obtain the sanction of Government to the adjustment out of plague funds, of the two bills amounting to Rs. 1807-11-4 and 281-12-7 respectively, on account of shed materials supplied.

2. The Deputy Commissioner's attention has been invited to the fact that the supply of materials at half cost price is not strictly in accordance with Government Proceedings No. 8156-8/L.B.P. 1127 dated the 27th November 1901 and that officer's explanation as regards the circumstances under which such supply was necessary will be forwarded to Government in due course.

I have the honor to be,

Sir,

Enclosure No. 7

Requesting sanction to the adjustment of bills for Rs. 1,807-11-4 and 281-12-7 respectively on account of shed materials supplied in the Hassan District during the years 1907-08⁹¹ and 1908-09.

2

Letter No. 104 Pg. Dated 27/29-6-1911 from the
Deputy Commissioner, Hassan District to the Sanitary Commr.

I have the honor to forward herewith in duplicate, duly countersigned, bills for the years 1907-08 and 1908-09 for Rs. 1,807-11-4 and Rs. 281-12-7 respectively, received from the District Forest Officer, Hassan District, on account of cost of hutting materials supplied by the Forest Department for issue to people camping out in sheds during the prevalence of plague in those years, together with the statements also received from the same officer, showing the details of the materials supplied. A list showing the names of the recipients of the materials and their occupation as well as the quantities supplied to each and an abstract statement showing the quantities of the materials received and disposed of as also the amounts realised in the retail and the auction sales, are enclosed.

2. The Amildars report that hutting materials were issued to the people only for bonofide shed-building purposes in accordance with Government Proceedings Nos. 8156-58/L.B. (P) 1127 dated the 27th November 1901 and 9164-206 Sany. 184-05-2 dated the 8th March 1906. It may be seen from the enclosed abstract statement that a sum of Rs. 431-10-4 in the retail sale and Rs. 60-13-6 in the auction sale have been realised, while a sum of Rs. 69-6-2 is yet to be recovered from some of the purchasers. The Amildars concerned have been directed to recover this balance of Rs. 69-6-2 without further delay, and to credit the same to the Treasury under Plague Receipts. Out of the amount of Rs. 431-10-4 realised in the retail sale, annas eight in the Hassan Taluk, Rs. 185-8-1 in the Arsikere Taluk and Rs. 43-12-6 in the Belur Taluk have been credited to the Forest Department and the District Forest Officer has accordingly given credit for these

2.

these sums amounting to Rs. 229-12-7 in his bill for the year 1907-08. The remaining sum of Rs. 201-13-9 and Rs. 60-13-6 realised in the auction sale have been credited to the Treasury under " Plague Receipts ".

3. There has been some unavoidable delay in the transmission of these bills from this office owing to the late receipt of complete information from the Amildars concerned particularly as much scrutiny had to be exercised and much correspondence undertaken to verify the actual amount due to the Forest Department, since the sale proceeds of the shed-materials in some instances had been credited to the Treasury under " Forest Remittance and in other ~~instances~~ instances under " Plague Receipts " in the year 1907-08. In accordance with Comptroller's circular No. 3019/196 dated the 28th November 1908 instructions have been issued directing that realisations from the sale etc of shed materials to be invariably credited in the Treasury accounts under Plague Receipts.

4. I request that the accompanying bills for the years 1907-08 and 1908-09 may kindly be accepted, and sanction of Government obtained at an early date for the adjustment of the amount of these bills by book transfer by debit to " Plague Funds " and credit to " Forest Dept "
